

DISPATCH		CLASSIFICATION SECRET	DISPATCH SYMBOL AND NO. 200-7454
TO INFO	Chief of Base, Munich Chief of Station, Germany Attn: ☐ ☐		HEADQUARTERS FILE NO. 200-124-39/3
FROM	Chief, IO	DATE	4 MAR 1959
SUBJECT	SECURITY/OPERATIONAL TPLINGO Use of Form 1271		RE: "43-3" — (CHECK "X" ONE) ☐ MARKED FOR INDEXING ☐ NO INDEXING REQUIRED
ACTION REQUIRED	As stated in paragraph 3.		INDEXING CAN BE JUDGED BY QUALIFIED HQ. DESK ONLY

REFERENCE(S)

- A. **200-10173, 6 February 1959**
- B. **200-7003, 10 December 1958**

1. **REACTORS** and **REACTOR** concur in ☐ ☐ suggestion per Ref. A. that the name of the source be entered on Form 1271 when feasible in order to avoid possible duplications. In cases where it is not feasible to do this, the initials of source would suffice.

2. In his coordination with **OFFICER**, ☐ ☐ should bear in mind that the procedures governing the execution of Form 1271 may not necessarily be the same for **OFFICER** and **TPLINGO** because of differing operational requirements. In particular, and contrary to the implication in paragraph 3 of Ref. A., **TPLINGO** would not normally try to induce a source of listening information to fill out Form 1271 or to use the form in source's presence, whereas it might be quite appropriate for **OFFICER** to do so. It was for this reason that ☐ ☐ was asked, per Ref. B. (para. 3), to make no changes in the established **TPLINGO** procedure for obtaining information on radio listening and in reporting it in the regular **TPLINGO** Listener Reaction Reports. It is only necessary to transfer from the Listener Reaction Reports to Form 1271 the pertinent information contained in these reports. This becomes a mechanical process in which there is no necessity for the source of the information to be involved.

3. It is emphasized that the procedures set forth in Ref. B. for the completion of Form 1271 are adequate for Headquarters' purposes insofar as **TPLINGO** is concerned. It is hoped that ☐ ☐ can begin promptly to comply with the request contained in para. 1 of Ref. B. Please advise us as soon as possible when we may expect this compliance to begin.

☐ ☐
